VISITORS: AYCC Director Leon Cantor, AYCC Board Members Joan Lehigh, Lori Talanian, Robert Bongiorno, Lynn Horgan, Kevin Flood, Mary Deyst, Human Services Director Christine Sharkey, Vision 2020 CoChairs Jane Howard, Joey Glusko, DPW Assistant Director Theresa DeBenedictis, Elizabeth Karpati, Bill Eykamp, Steve Ricci, Josh Lobel, Andrew Fischer

MINUTES of 3/2/09 accepted as corrected. 15-0-1

ART 55 MEAD ROAD: DPW SubCom (Olszewski) provided copies of memo from DPW Director promising action on most of the requests in the article.

VOTED no action with the comment to include info from the Director's letter. Unanimous. Olszewski to notify director. Turkall to notify Weinberger.

AYCC: Lehigh provided handouts and, supported by staff and the other members present, discussed the work done by AYCC. She made a case that AYCC provides excellent services partly through leveraging extensive volunteer services. She pointed out that because the recession increases strains on families the AYCC services are needed now more than ever. She also said that the contract with the schools is being negotiated and might not be renewed. Contacts made through the schools may permit early intervention and head off more serious problems. She did not make a specific a budget request.

ART 61 WATER BODIES: Howard stated that the home rule legislation establishing the fund to maintain the water bodies passed the legislature. Last year the Town appropriated \$15k. DeBenedictis stated that the fund balance is \$34649. The cost of treating Spy Pond this spring is expected to be \$40k. This expense recurs about every 4 yrs. Keeping the weeds under control at the res costs about \$2500/yr.

VOTED \$15k Unanimous. The Spypond Committee & DPW were requested to provide a 5 yr plan showing expected revenues and expenditures.

ART 27 AFTER SCHOOL FUND: Lobel made a power point presentation to establish the need for this funding and

the proposed means of raising the money via a tax bill checkoff similar to Dollars for Scholars. He noted that, unlike Dollars for Scholars, this money would stay in Arlington & contribute to services for which the Town is responsible. In response to questions, he explained that the Schools Foundation and the Education Enrichment Fund have different objectives. The proponents have been unable to meet w/ the Treasurer.

COMMITTEE: After discussion w/ Manager & others, Tosti proposed that we deal with the warrant articles and a few of the budgets that are not affected by the revenue uncertainty and then adjourn until May. He suggested mtgs on 5/11, 13, 18, 30. He estimates that Town Meeting will finish the BoS & Zoning articles in 4 nights, then adjourn until 6/1 to consider the budgets. This will give as much time as possible to let the revenue uncertainties become resolved so that the budgets can be as realistic as possible. Tosti will review this approach w/ the Moderator.

RESERVE FUND BALANCE: \$287,000
